*"My kids have both loved attending the Woodchuck Wednesdays program, week-long camps in the summer, and family events led by staff at WRL. I would recommend educational programs at WRL to any local families with young children, for a sure opportunity for your kids to enjoy being outside & learning while having fun!"*  
*JC, Williamstown*

*"We've tried to teach our kids the value of being outdoors, and WRLF children's programs have been so helpful in that regard. Our girls have loved all their experiences at Sheep Hill. Not only do they get to play outside with their friends in a natural setting, but they also get some wonderful education from knowledgeable, friendly leaders. We'd recommend WRLF programs to anyone with young children."*  
*DL, Williamstown*

*"I have three children who attended Sheep Hill summer programs -- and they still build fairy houses from stones and leaves, take great delight in catching frogs and listening to birds, and know more about the local flora than I do."*

*AR, Williamstown*

## SUMMER CHILDREN'S PROGRAMS AT SHEEP HILL

Sheep Hill, a conservation property and the headquarters of Williamstown Rural Lands, is the perfect place for your child to experience, explore, and connect to the natural world.

WRL's summer programs are designed to excite and inspire children, while teaching them to understand and respect nature and creatively express its wildness.
